

College of Computer Sciences & Information Technology

TIMELINE

MAJOR MILESTONES IN CCSIT'S HISTORY

2008

Female Section

2020

NCAAA Accreditation - CIS

2003

The Initiation

2010, 2016

ABET Accreditation for
Bachelor's Degree

DEPARTMENTS

Computer Science

Members: 40

Chaired by:

Dr. Abdulelah algusaibi

Information Systems

Members: 45

Chaired by:

Dr. Abdulaziz albararak

Computer Networks

Members: 20

Chaired BY

Dr. Mohammed alnaeem

Computer Engineering

Members: 10

Chaired BY

Dr. Ali alzahrani

UNDERGRADUATE PROGRAMS

Bachelor of Science

**Computer
Science**

Bachelor of Science

**Computer
Information
Systems**

Bachelor of Science

**Computer
Networks &
Comm.**

Bachelor of Science

**Computer
Engineering**

**First Batch to Graduate
in two years**

GRADUATE PROGRAMS

Master of Science

**Computer
Science**

Master of Science

**Computer
Information
Systems**

Master of Science

Cybersecurity

Master of Science

**Artificial
Intelligence**

More than 10 CoEs

Dr.Maged Mohammed

Date Palm Research Center of Excellence

- Date Palm Biotechnology
- Date Palm Physiology & Production
- Date Processing and Value added Technologies
- Sustainable Pest management in Date& Palm
- Advanced Precision Technologies in Date Palm
- Extension & Economics of DatePalm and its derivatives

Camel Research Center

- National Research Center for Camel Research
- Dataset Creation
- Genetics
- Breeding, Camel Food products
- Vaccine Development
- camel breeding farm (>100 camels, 5 hectare, Herd area)

Dr.Faisal Almathen

- Activity monitoring (Walking, Resting, Grassing, playing, Agility, Water intake, socializing, Sleeping, Vital parameter monitoring)

TinyML +Seed Studio
Sensors + Edge Impulse
